Mr. C. W. Sorensen, Sec.,
Cedar Creek High Line Canal Co.,
Mt. Pleasant, Utah.

Dear Sir:

RE: CEDAR CREEK DISTRIBUTION:

May I refer again to my letter of May 16th in which I asked you to advise me with reference to the employment of Mr. Bowen as Deputy Commissioner in accordance with your previous request?

Mr. Bowen is at present available but it is not fair to hold him indefinitely and unless the matter can be settled at once there is a chance of our not being able to avail ourselves of his services.

Yours very truly,

GMB/BD

State Engineer
